

Our Values

At The Midnight Fiddle Band, we believe that music is more than just entertainment—it's a way to bring people together, celebrate love, and create unforgettable memories. That's why we're committed to more than just great performances. We hold ourselves to high standards of professionalism, compassion, and responsibility—on and off the stage.

Here's what you can expect from us:

Equality & Inclusion

We proudly welcome and celebrate all couples—regardless of gender, race, culture, age, identity, or background. Love is love, and it's an honour to be part of every kind of love story. We are committed to creating an inclusive and respectful experience for all our clients and guests.

Professionalism & Reliability

We take your day seriously. From the first email to the last note played, we show up prepared, respectful, and ready to deliver. We communicate clearly, meet deadlines, and honour every commitment we make. Your peace of mind matters just as much as our performance.

Respectful Working Environments

We believe that everyone deserves to feel safe and valued at work—including musicians. We kindly ask that all clients and guests treat our team with courtesy and respect. In return, we promise a positive, friendly presence at your event.

Sustainability & Environmental Awareness

We are mindful of our environmental impact and always strive to make eco-conscious choices—whether it's reducing waste, minimizing travel where possible, or using sustainable materials, supporting a greener events industry.

Our Values

Support for Local Creatives & Musicians

Our team is made up of talented, professional musicians who work hard to make your day special. We're proud to champion fair pay, equal opportunities, and creative freedom within our team and the wider music community.

Kindness Always

We approach our work with heart. Weddings are joyful, emotional, once-in-a-lifetime moments, and we feel incredibly lucky to be part of them. Our goal is to make your experience not just stress-free, but extraordinary.

Transparency & Integrity

No hidden fees, no vague promises. We'll be upfront and honest about our services, pricing, and what you can expect from us. If something isn't possible, we'll tell you. If we say we'll do it, we absolutely will.

Thank you for choosing us to be part of your celebration.

We promise to give you our absolute best- **every** time.

Love
The Midnight Fiddle Band
